

## Ava's Proven Record.

Issaquah's leader and voice at home and regionally over the years. Respected and Trusted. She keeps her word.

## Saving Us Money.

### Fiscal Stewardship

Issaquah's City property tax rate has gone down 30% in eight years with Ava's leadership. Issaquah's property tax rate remains one of the lowest on the Eastside.

Our economy depends on moving people and products.

Her ability to work with others at home and regionally has brought millions of dollars in transportation improvements, synchronized signals, transit, trails, and improved traffic capacity.

She has championed work force housing leveraging grants into \$22 million of affordable housing because she knows that our economy is robust when people can live and work here.

Issaquah is a leader in protecting and preserving open space thanks to Ava. Issaquah has invested \$10 M in protecting our streams and restoring creek-side habitat to save our salmon.

*"The citizens of Issaquah are well served by Ava's thoughtful, knowledgeable and calm style. Mayor Ava Frisinger is appreciated by the Eastside Mayors who work together on regional issues. Her energy and enthusiasm for good common sense government is an approach that should be applauded."*

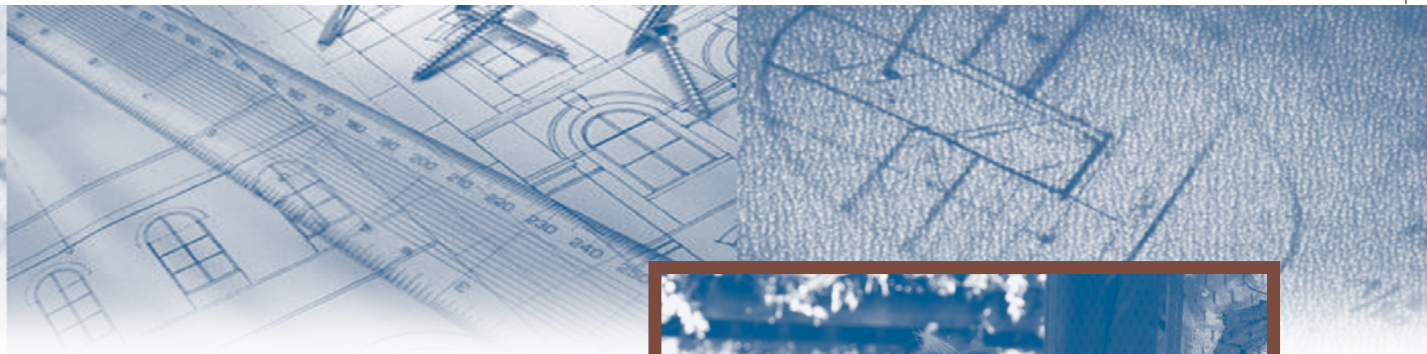

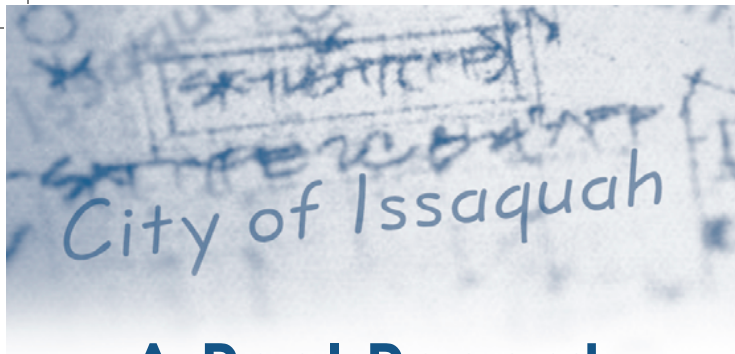

*Connie Marshall, Mayor  
City of Bellevue*
